Security Analysis Group

SUBJECT: Nazi War Criminals Investigation (U)

1. Forwarded herewith for release are the notes taken by Messrs. Joseph F. Lynch and Jeffrey N. Mausner, Office of Special Investigations, Department of Justice, during their latest review of Office of Security records on 2 November 1979. Please note that no information has been sanitized from this material; however, it has been classified at the Secret level. (U)

2. At Mr. Lynch's request, a review of Tscherim Soobzokov's Office of Security file has been conducted in an effort to locate a document issued to Soobzokov in 1942, authorizing him as a representative of the Circassian Field Police to search all villages in his area. Please advise Mr. Lynch that our search disclosed that this document is not being maintained in Security records. Presumably, it is located in Directorate of Operations files. (S)
